The Hilarious Celebration of Women and The Change®, the original, off-Broadway musical begins with four women, "Professional Woman," "Soap Star," "Iowa Housewife" and "Earth Mother," at a Bloomingdale's lingerie sale with nothing in common but a black lace bra - and hot flashes, night sweats, memory loss, chocolate binges, and day-to-day challenges.

*"We all LOVED it!!!! every moment of it. well done. We all agreed it was the most fun we had at a theatre." - Mary, Toronto*

*"We had an absolutely fabulous time. We laughed so much it was hilarious. One thing we found reassuring as we approach this time in our lives is that we have friends to laugh cry and talk to. We r all going to go through very similar experiences when it comes to menopause and it is so good to be able to laugh about it. Everyone was so amazed by the skits the simple changes in the words to our very familiar songs - it was priceless! -Heather, Toronto*
