For the first time in popular music, the greatest albums from the 60s, 70s and 80s are recreated live on stage, note for note, cut for cut. ***In Through The Out Door*** is the last proper **Led Zeppelin** album and the band sounds so assured that it's hard to believe the end was just around the corner. With a few interesting stylistic detours--the almost salsa-like piano that drives "*Fool in the Rain*," the country-flavoured hoedown of "*Hot Dog*"—this is for the most part 1970s rock in the grandest style.
