A warm, romantic comedy about two lovesick, anonymous pen pals who work together during the day, blissfully unaware that they are writing to each other at night. A tale of unlikely sweethearts and the eccentric colleagues who aid and abet them, *She Loves Me* is based on the Hungarian play, *Parfumerie*, which has been adapted into such movies as *The Shop Around the Corner* (with Jimmy Stewart), *In the Good Old Summertime* (with Judy Garland), and *You've Got Mail* (with Tom Hanks). With an endearing innocence and a touch of old world elegance and nostalgia, it is as universal and relevant as ever in this age of internet romances.
