Don't miss this breathtaking production!

TAO Japanese Drummers is a company of martial arts drummers trained in traditional Japanese percussion. Throughout their combative performances, TAO fuse martial arts and music with their skillful drumming and intricate choreography based on the traditions and culture of the Samurai. TAO uses a series of instruments from drums to harps including massive Wadaiko Drums weighing 400kg with a circumference of 1.70 metres.

You won't want to miss this Heart Pounding Performance!
