Set against the tumultuous backdrop of the Kennedy assassination and the Civil Rights Movement, CAROLINE, OR CHANGE uses fantasy and reality to explore a story about ordinary people facing extraordinary change. With a musical score that blends blues, soul, gospel, classical and traditional Jewish melodies, this 'modern masterpiece' is a timely story of change for our socially-conscious world.

Featuring "Canada's Queen of R&B" **Jully Black as Caroline**, internationally renowned Canadian soprano **Measha Brueggergosman** as The Moon and an all-star Canadian cast, this is certain to be the must-see theatre event of the season.
