The King of Rock n' Roll. The Queen of Country. These two Tennessee legends changed the landscape of their respective genres while defining the world around them.

The Musical Stage Company's 14th annual signature concert spotlights hit songs from two hugely influential artists with wildly imaginative arrangements by music director Reza Jacobs. Featuring award-winning Canadian artists who have graced international stages, screens and concert halls, UnCovered is a one-of-a-kind 'unmissable' event.
