### The King of Rock n' Roll. The Queen of Country.

These two Tennessee legends changed the landscape of their respective genres while defining the world around them. The Musical Stage Company's 14th annual signature concert spotlights hit songs from two hugely influential artists with wildly imaginative arrangements by music director Reza Jacobs. Featuring award-winning Canadian artists who have graced international stages, screens and concert halls, UnCovered is a one-of-a-kind 'unmissable' event.

Hailed by Entertainment Weekly as "a stunning, blazingly original musical" and by the New York Times as "a heaven-sent fireball", NATASHA, PIERRE & THE GREAT COMET OF 1812 is an electrifying Broadway musical. A radically contemporary adaptation of a selection of Tolstoy's acclaimed 1868 novel 'War and Peace', the 12-time Tony-nominated musical brings a passionate, romantic and high-stakes 1812 Moscow to life through a groundbreaking score that mixes indie rock, pop, Russian folk, electronic dance music and classic Broadway.
